WELCOME TO PUKEKOHE HIGH SCHOOL SPORT

Pukekohe High School has a proud history of participation and achievement in sport at local, regional, and national levels. We believe it is an integral part of every young person's education journey. Our vision, "learning without limits through sport" and our philosophy, "better people make better athletes" are at the core of the experience we provide to all our student Athletes. We aim to provide meaningful sporting experiences that creates a lifelong love for sport and physical activity, this could be through participating or competing socially to high performing sport.

We encourage students to participate in a wide range of activities outside the classroom to further develop physical, mental, and social skills. We believe that the values gained through sport, teamwork, preparation, planning, performance, etc is key to building students' self-esteem and confidence, and this can be reflected in greater effort and achievement in the classroom.

The Pukekohe High School Sports Programme offers approximately 34 sports codes, catering to individuals and teams. Our students successfully compete in local, regional, and national competitions offered by College Sport Auckland and School Sport NZ. In 2024 we successfully competed in 32 sports code competitions and/or national tournaments. We sent 26 teams away to National/regional tournaments across summer (11) and winter tournament week (15) to proudly represent Pukekohe High School. We are constantly aiming to grow and build a strong sports programme that harnesses and allows our talented Rangatahi to compete and display their talents on a national or international stage.

We have an extremely passionate and enthusiastic Sports Department, school staff, Senior Leadership Team and Board of Trustees that support our programme. With the support from our wider community of coaches, managers and parents we put in the hard mahi in to ensure students achieve their sporting goals.

OUR VISION 2025

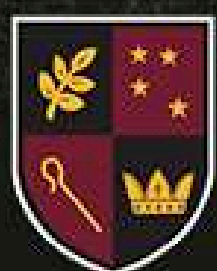

PUKEKOHE HIGH SCHOOL SPORT

'LEARNING WITHOUT LIMITS THROUGH SPORT'

Sport at Pukekohe High School is an integral part of our school community. We provide an extensive sports programme that aims to deliver an environment where our students can grow and develop their sporting skills and enjoy a meaningful sporting experience.

The sports programme offers 32 sports and a range of codes. Our programme promotes a key focus on premier sports (competitive) and social sport through skills, teamwork, sportsmanship and personal responsibility while also instilling a commitment to continuous improvement and personal excellence.
